Appalling Increases in the Number of Operations Performed Each Year-How Women May

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those show white heds women and girls, who are either awaiting or resorting from serious operations. Why should thus be the ease? Simply because they have neglected them selves. Female kroubles are certainly on the increase among the women of this country—they errep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing down feeling, pain at left or right of the abdome. nervous enhancion, pain in the small of the back, dizaless, flatelency, displacements of the organs or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not heeded the penalty has to be paid by a danger ons operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation but remember that Lydia E. Pink ham's Vegetable Compound. He tried to influence me against this learning down feeling, plantaled or populations.

When women are troubled with fregular, suppressed or painful periods, weakness, displacement or ulceration of the organs that bearing-down feeling, inflammation, backache, bloating for flatulency, leavest debuilty, increasing the product of the organs that bearing down feeling, grain and every the section, and nervous prostration, or are beset with such symptoms as dizziness, lassitude excitability, irritability, nervousness, sleeplesaness, melancholy, "all gone" and "want-to-be life alone" feelings, they should remember there is one tried and true remedy.
